Introduction

The local governing board and staff at St Wilfrid's Catholic Primary School are united in their belief that regular school attendance is the key to enabling children to maximise the educational opportunities available to them. Helping them to become emotionally resilient, confident and competent adults who are able to realise their full potential and make a positive contribution to their community.

St Wilfrid's Catholic Primary School values all children. As set out in this policy we will work with families to identify the barriers to achieving and maintaining excellent attendance and offer the right service at the right time to try to resolve any difficulties.

The Attendance Team will monitor attendance and use attendance data to identify any patterns of concern, whilst also celebrating success. Attendance concerns will be raised with parents if reasons are not known by the school, e.g. a long period of illness, this information may be shared with the Local Authority following concerns. Where we have concerns, or lack of engagement from families to improve attendance, we will follow the schools escalated approach to improving attendance. The schools escalated approach is child-centred and prioritises support and developing strong working relationships with families. We will use the early help process to provide support prior to escalation and consider how we can work with families to enable your child to access their right to education.

Our aim is to always to work in partnership with parents and any referral for consideration of a penalty notice is deemed to be a last resort. Attendance figures for each child will be reported to parents as part of the annual report, we will also share a child's attendance profile if we have concerns regarding a child's attendance. Throughout the school year the Attendance Team will report on the overall attendance figures for children groups, this will be closely monitored for support and reported to the local governing board.

To support good attendance, and safeguarding, at St Wilfrid's Catholic Primary School we:

- Ensure the school is welcoming and every child feels a sense of belonging and connectedness.
- Ensure the school site is open at the stated times.
- Ensure the regular, efficient, and accurate recording of attendance is complete by every class teacher each day. This further supports our approach to safeguarding within the school.
- Take safeguarding seriously and we will always contact you on the first day that your child is absent from school. If your child arrives late after the close of registration, we will record their arrival at reception and transition the child to class.
- Consider any requests for leave in term time individually. This will be aligned to the Local Authority code of conduct.
- Notify the Local Authority within 5 days if a new child is joining the school roll.
- Inform the Local Authority of children whose parents have notified the school in writing and have opted for Elective Home Education.
- Work closely with our School Attendance Support Team.
- Notify the Local Authority of Children Missing in Education

A whole school approach to supporting attendance at St Wilfrid's Catholic Primary School

Securing good attendance at St Wilfrid's Catholic Primary School cannot be achieved in isolation, and effective practices for improvement will involve working closely with other Leaders within the school. The Attendance Team – comprising of head of School, Attendance Officer and Pastoral Team, Behaviour Leader, SENDCo and Pupil Premium Leader to facilitate a whole school approach.

The Strategic Approach

St Wilfrid's Catholic Primary School Primary School adopts the 5 Foundations of Effective Attendance Practice framework, this is modelled on the work of Professor Katherine Weare. The emphasis is on developing a school culture and climate which builds a sense of connectedness and belonging to ensure all children can attend school and thrive. The approach ensures we prioritise building solid working relationships with children, and parents, prior to escalation. The staged approach we follow ensures we identify triggers early that can lead to poor attendance issues such as mental health issues, lack of trust, communication and relationship breakdowns and the possible lack of networking opportunities both internal (in-school) and external (external agencies).

Aims of the 5 Foundations strategy

- Increase school Attendance and reduce Persistent Absence to meet set targets.
- Ensure Attendance is well managed within the school, with the appropriate level of resources allocated.
- Enable the school to make informed use of attendance data to target interventions appropriately, focusing on key groups
- **Objectives**
 - create an ethos within the school in which good attendance is recognised as the norm and every child aims for excellent attendance.
 - make attendance and punctuality a priority.
 - set focused targets to improve individual attendance and whole school attendance levels.
 - embed the 5 Foundations of Effective Attendance Practice framework which defines agreed roles and responsibilities and promotes consistency in carrying out designated tasks with respect to promoting attendance and punctuality.
 - record and monitor attendance and absenteeism and apply appropriate strategies to minimise absenteeism.
 - develop a systematic approach to gathering and analysing relevant attendance data.
 - provide support, advice and guidance to; parents, children and develop mutual cooperation between home and the school in encouraging good attendance and in addressing identified attendance issues.
 - Demonstrate, using rewards, that the school recognises good attendance and punctuality are achievements in themselves.

5 Foundations Of Effective Attendance Practice

5 Foundations of Effective Attendance Practice

The main aim of the framework is to ensure the school promotes a culture of good attendance and celebrates success. Ultimately, the framework will ensure there is a culture of feeling safe and school being a place where children want to be.

Positive health and emotional well-being are key factors in improving social development, school attendance and educational achievement. The 5 Foundations of Effective Attendance Practice model promotes, and supports, a whole school approach to mental health and emotional well-being; ensuring SEMH support remains a key driver in improving attendance for all children.

Each Foundation is supported by 5 Key Performance Indicators, these are used to ensure the school can embed the Foundations framework and understand the strategic direction regarding attendance improvement. Each year the school will use the 5 Foundations self-assessment tool to understand what works well and identify what we need to do even better. We then follow the 5 Foundations school improvement process to implement the attendance plan and ultimately improve the lives of children and families we work with.

Foundation 1 Whole School Thinking Culture & Climate

The school has a fully embedded ethos in which excellent school attendance is expected, developed and nurtured. The escalated approach to supporting attendance is built on foundations of belonging and connectedness.

Foundation 2 Supportive Policies, Systems and Processes

The approach to improving attendance is built on clear policies, systems and processes. This ensures continuous and sustainable improvement drives attendance practice. The attendance policy is understood by all stakeholders and allows the school to set, and maintain, high expectations to improve the culture of attendance.

The school prioritises developing a team of attendance experts, with a shared vision and core purpose. The Attendance Leader delivers bespoke training to support all staff to fully understand their role in improving attendance. External partnerships support attendance improvements through a multi-disciplinary approach for identified children and families.

Data information and analysis direct resources proactively towards key demographic groups and identified individuals. The expert use of data analysis informs decision making at all levels. The attendance process ensures the Attendance Leader understands the reason for attendance concerns, these barriers can then be successfully supported and removed.

Connecting and belonging drives the school approach to supporting attendance. All staff are supported to understand 'deeper roots' regarding poor attendance concerns. The school has developed, and embedded, an effective rewards system to further drive attendance improvements and celebrate success.

St Wilfrid's Catholic Primary School will always work in partnership with our parents

St Wilfrid's Catholic Primary School recognises that poor attendance is often an indication of difficulties in a child's life and their lived experience. This may be related to problems at home or in school. Parents should inform the school of any difficulties or changes in circumstances that may affect their child's attendance and or behaviour in school, for example, bereavement, divorce/separation, incidents of domestic abuse. This will help the school to identify any additional early help that may be required. Safeguarding is a priority, concerns for any child at any time will be reported to the Designated Safeguarding Lead. We will always follow Keeping Children Safe in Education 2023 and our Child Protection Policy.

Some children are more likely to require additional support to attain good attendance, for example, children who are vulnerable, have a medical need or EHCP plan will be monitored and supported in school. At St Wilfrid's Catholic Primary School we will proactively identify and follow up on a child's non-attendance and gather information about the child. This will result in taking early action to prevent non-attendance developing and monitoring the impact of targeted support.

The Attendance Team will initially:

- Check records, including any from other schools which the child has attended previously.
- Discuss with staff how the child is coping with the curriculum
- Speak to the Special Educational Needs Coordinator to establish whether the child is on the Special Educational needs register.
- Take into account the voice of the child and understand any difficulties, e.g. curriculum or bullying and their views on the issue could be addressed.

Children whose attendance falls below 90% are Persistently Absent from school, where a child falls under 50% attendance the child will be classified as a Severely Absent child. Ultimately this will indicate that all intervention, and support, offered by St Wilfrid's Catholic Primary School has not made the expected impact to improve overall attendance. Where attendance remains a concern and all other interventions and support have not made a significant impact, we will escalate with external partners.

We support children during each stage. We will prioritise a child's learning and right to education, especially if there is lack of engagement, or concerns regarding the reason for absence.

First Day Contact

At St Wilfrid's Catholic Primary School we expect our parents to make contact at the earliest opportunity on the first day of any absence. We will always contact you via text message or by calling you. Where we have on-going concerns regarding your child's attendance, we will visit your home address and write to you. We may even invite you to meet with a member of staff to discuss any on-going concerns regarding attendance. It is important that you talk to us first; you are legally responsible under Education Act 1996 for ensuring that your child is in school every day and on time. If we cannot make contact with you, we will continue to make announced and unannounced home visits, regarding any concerns we may have surrounding attendance at St Wilfrid's Catholic Primary School.

Parents are responsible for securing full-time education

Parents are responsible for ensuring their children receive a full-time education. Each situation will be dealt with on an individual basis, fairly and equitably always remembering the welfare and safety of the child is the paramount concern.

The term 'parent' includes those who are not a natural parent but have parental responsibility for the child as defined by the Children's Act 1989 or have care of the child as defined by the Education Act 1996.

- Absence can only be authorised by the school; parents do not have this authority. All absences will be treated as unauthorised unless satisfactory evidence for the child's absence has been received. In the first instance contact from the parent will be accepted as evidence. However, if a child's attendance continues to cause concern, parents may be asked to provide medical evidence where absences occur repeatedly due to reported illness. This will usually be in the form of an appointment card, prescriptions etc. Absence may be coded as unauthorised without evidence.
- Parents should wherever possible make all medical and dental appointments outside of the school day. Where this is not possible, children should attend school for part of the day. Appointment cards should always be provided as evidence of medical/dental appointments.
- Unless parents have provided a satisfactory explanation and it has been accepted by the school absence will not be authorised.

Please view the list of responsibilities and expectations regarding parents.

Examples of unsatisfactory explanations include:

- Holiday
- Visiting a relative or friend
- Event of a family or a friend
- Travelling
- A child's/family member's birthday.
- Shopping for uniform.
- Having their hair cut.
- Closure of a sibling's school for INSET or other purposes.
- "Couldn't get up".
- Illness where the child is considered well enough to attend school without medical authority and in the absence of a communicable disease.
- Leave during term time taken without authorisation of the school
- Head lice – let the school know and letters will then be sent to all parents in a confidential manner.

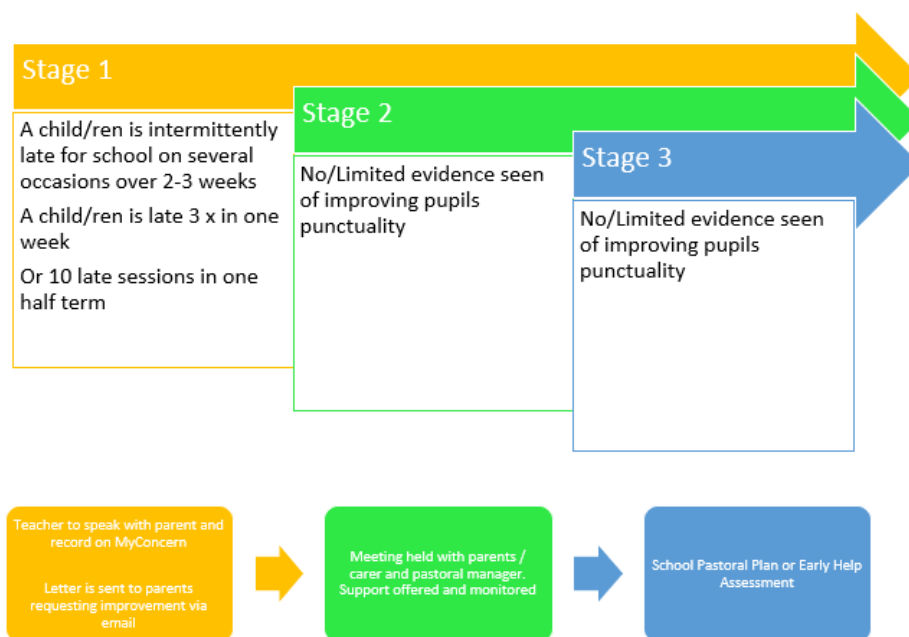

Punctuality

Doors open for children at 08:45am, the class register will close at 08:55am. Children arriving after the close of registration will be recorded as late. Late marks will not be authorised and will count as an absence for the school AM session. If a child is late, it is the responsibility of the adult who drops them off to escort them to the school office and sign them in on the arrivals machine, stating the reason for lateness, Punctuality is recorded and this will be added to your child's SIMS record of attendance, a letter will be sent to parents every half term regarding attendance concerns of a child. If a child arrives at school from 09:15am they will be U coded.

The absence will only be authorised if a satisfactory explanation for the late arrival can be provided, for example, attendance at a medical appointment.

The absence will be recorded as unauthorised if a child has arrived late without justifiable cause, for example they woke up late or were waiting for their uniform to dry.

Punctuality Support Map

Transition following long term absence or illness

Absence can significantly interrupt the continuity of children's learning.

During any long-term absence, St Wilfrid's Catholic Primary School will:

- Maintain contact with the child.
- Plan the transition back to school, ensuring your child feels welcome and gains a sense of belonging.
- Ensure the child once again feels safe in school and if they experience any concerns, they will have an appointed member of staff to work with.
- The Class Teacher and Teaching Assistant will support a child when returning to class and help them with any work they may have missed.

Leave during Term Time

From 1st September 2013, the Government amended the England (Pupil Registration) (England) Regulations 2006. Head teachers may only grant leave in 'exceptional circumstances' only. St Wilfrid's Catholic Primary School observes Birmingham City Councils 'Leave in Term Time Guidance for schools and Academies'.

Parents wishing to apply for leave during term time must send a written request, on the form provided in the appendices/ by the school office, for the attention of the Headteacher before making any arrangements. Retrospective requests will not be considered and therefore will result in the absence being categorised as unauthorised. Each leave during term time request will be considered on an individual basis.

If a child fails to return and contact with the parent has not been made or received, school may take the child off the school's roll in compliance with the Education (Pupil registration, England) Regulations 2006. This means that the child may lose their school place. All advised efforts to investigate and locate the child will take place and contact will be made with the Child Missing in Education Team.

If the permission to take leave is not granted and the child is still absent from school, the absence will be unauthorised. In such cases the school may consider legal action.

Only in exceptional circumstances will absence be agreed. In such cases, consideration will be given to the cultural needs and the family circumstances, such as minority ethnic children returning to their country of origin. In these cases, granting leave for longer periods than normal may be considered justified. In all cases though, parents will be required to justify why the leave needs to be taken during term time.

Categories of absence and procedure for reporting absences

Absences will be treated as unauthorised unless a satisfactory explanation for the pupil's absence is given to the school. Parents cannot authorise absences.

Staff should make it clear on the school register when taking attendance whether a child's absence is authorised or unauthorised. Where staff have concerns regarding absences, they should follow the school's attendance and safeguarding procedures.

When a child is to be absent from school without prior permission, parents should inform the school by telephone on the first day and every day of absence before 9.30am. If there is good reason for a sustained absence such as a notifiable disease, parents should let school know what date they expect the child to return. Alternative arrangements will be made individually with non-English speaking parents or carers

Illness

Most cases of absence due to illness are short term, but parents will need to make a phone call to alert the school on each day of absence. This will be recorded on SIMS, the schools online register.

For prolonged absence due to illness, parents may be asked to provide the school with medical evidence such as a note from the child's doctor, an appointment card or a prescription paper. If these are not provided on request it may result in the absence continuing to be classed as unauthorised.

Medical or dental appointments

Parents should make every effort to ensure these appointments are made outside school hours. Where it cannot be avoided, children should attend school for as much of that day as possible.

Authorised absences

There may be some exceptional instances where the school will authorise absence such as for a family bereavement.

Exclusion

Exclusion is treated as an authorised absence. The head teacher/ class teacher will arrange for work to be sent home.

Family holidays and extended leave

The school operates in line with Birmingham Local Authority, 'Leave in term Time Guidance' September 2022.

Parents should make every effort to ensure that family holidays and extended leave are where there are exceptional circumstances. Requests for leave of this type must be made in writing to the Head of School at least 14 days in advance of the leave being taken using the form in the appendices – Leave in Term Time . In the case of unforeseen circumstances, such as a family bereavement that requires the child to travel to another country, this will be taken into consideration.

Retrospective applications will not be considered, and this time taken will be processed as unauthorised absence. The headteacher may only grant such requests in exceptional circumstances and the headteacher's decision is final on whether the request is approved, and the length of absence approved.

If permission is not granted, but the child is still absent, the absence is classed as unauthorised and parents may be subject to further action by the school or prosecution by the local authority.

Religious observance

St Wilfrid's Catholic Primary School recognises that there may be times where children observe religious festivals that fall outside of school holidays and weekends and will allow authorised absence for these times.

Parents will be aware of these dates and should give the school written notification in advance

Using attendance data

Children's attendance will be monitored and shared with other agencies and the DfE.

Weekly attendance meetings will be held between the Attendance Leader and the Attendance Team. Meetings will focus on agreed actions for those children of concern. The purpose of each meeting will be to understand the progress the school is making when supporting identified individuals or groups of children.

Attendance data will be used to identify emerging patterns and trends to inform whole school strategies to improve attendance and attainment.

It is the responsibility of school Governors to challenge and support the school regarding overall attendance, regular reports will be presented to this body. The governors will therefore examine closely the information provided for them and seek to ensure that our attendance figures are as high as can be.

Persistent Absence

At St Wilfrid's we aim to communicate the importance of attendance with parents and children. We have a particular focus on reducing Persistent Absenteeism at the school. The Persistent Absence threshold for children is currently 10%.

The threshold means that any child will be classed as Persistently Absent when they have missed 38 or more sessions. This equates to 19, or more, missed days during the academic year - which is less than 7 days over each of the three Terms. This also equates to the equivalent of 1 day of absence, or more, a fortnight across a full school year

We will use a 19-day tracking system to make you aware of the number of days your child has missed in education. This will allow us to work together to reduce the number of days and attempt to prevent your child from reaching this number.

Once a child has reached 38 sessions, or 19 days absence, they will be classified as Persistently Absent from school and we will report this to the Local Authority and follow external legal proceedings.

Statutory Duty

Section 7 of the Education Act 1996 states that the parent of every child of compulsory school age receive efficient full-time education suitable to their age, aptitude and ability and any special educational needs they may have, either by regular attendance at school or otherwise.

A child is of compulsory school age at the beginning of the term following their 5th birthday.

Under the Education Act 1996, the Local Authority has a statutory responsibility to ensure that parents secure education for children of compulsory school age and where necessary, use legal enforcement. St Wilfrid's Catholic Primary School recognises Birmingham City Council's 'FastTrack on Attendance' and will implement prosecution where it is fair and equitable to do so.

In accordance with the regulations regarding pupils' attendance at school, St Wilfrid's Catholic Primary School keeps an attendance register on which at the beginning of each morning and afternoon session children are marked present or absent. The marks are electronically processed and stored on the school's central administrative system. This information is shared with the Department for Education.

Legal Sanctions

There are several sanctions that school can take to address the issue of non-attendance. To try and identify the reason for absence we will always talk to you first to identify the reason for absence. St Wilfrid's Catholic Primary School will always ensure the escalated process map is followed, focusing on the support a child needs at each stage (please access on the school website). However, for lack of engagement in attendance support there are sanctions that will be followed:

Penalty Notices (Anti-Social Behaviour Act 2003)

Penalty Notices will be considered when:

- A child is absent from school for the purpose of a Leave of Absence in term time and the absence has not been authorised by the school.
- A child has accumulated at least ten sessions of unauthorised absence and further absence has occurred following written warning to improve

Penalty Notices will be used in accordance with Birmingham City Council Code of Conduct.

Prosecution

Where intervention through the school's process fails to bring about an improvement in attendance, the local authority will be notified and legal proceedings in the Magistrates Court may be taken. The school will provide the Local Authority with evidence required for a prosecution under section 444/4441 (a) of the Education Act 1996 and will appear as a prosecution witness if required by the court. This is to ensure that parents realise their own responsibilities in ensuring their child's attendance at school.

Section 4441(a) of the Education Act 1996 states that if a parent fails to ensure the regular school attendance of their child if he/she is a registered pupil at a school and is of compulsory school age, then they are guilty of an offence.

Schools, trusts and local authorities are expected to work together and make use of the full range of legal interventions rather than relying solely on fixed penalty notices or prosecution. It is for individual schools and

local authorities to decide whether to use them in an individual case after considering the individual circumstances of a family. These are:

- Parenting contracts
- Education supervision orders
- Attendance prosecution
- Parenting orders
- Fixed penalty notices

Please refer to section 6 of the DFE Working together to improve school attendance 2023 for more information.

Children at risk of Missing in Education (CME)

Children Missing Education (CME) are a vulnerable group of children. All agencies who work with children have a duty to support the Local Authority in ensuring all children are safe and looked after appropriately.

CME includes those children who are **missing** (family whereabouts unknown), and are children who are registered on a school roll / alternative provision. This might be a child who is not at their last known address **and either**

- has not taken up an allocated school place as expected, or
- has 5 or more days of continuous absence from school without explanation, or
- left school suddenly and the destination is unknown

It is our responsibility as a school to work with the LA Education and Inclusion team, by making referrals.

Celebrating Success

At St Wilfrid's Catholic Primary School, we feel it is important to reward children who have achieved good or improved attendance. These strategies will be designed and implemented by the Head of School.

St Wilfrid's Catholic Primary School will always challenge falling attendance and reward improvements. We are committed to the future of all children that attend St Wilfrid's Catholic Primary School, and by working in partnership with the school community we believe that together we can achieve more!

We can only achieve this by working in partnership with you, if you have any concerns or anything that prevents your child from attending St Wilfrid's Catholic Primary School or if you would like to become involved in our school please contact a member of the attendance team.

Dear Parent/Carer

Dear xxxxx,

Re: xxxxx DOB: 14/03/2018

xxxxx DOB: 12/11/2012

School have tried on several occasions to speak with you regarding the poor attendance of both your children xxxx and xxx xxxx but you have not answered your phone or responded to messages left for you on your answer phone asking you to please contact school but we have had no response from you hence the reason why I am sending you this letter. You will see from the enclosed attendance printouts that since the beginning of this school year xxxx attendance is xxx% and xxx unauthorised absences, while xxxx has xx% attendance and xx unauthorised absences which is of serious concern. School Attendance Officer is regularly monitoring attendance and you can receive a penalty fine due to the poor attendance of both your children.

An Informal attendance meeting has been arranged for you to discuss xxxx and xxxx attendance at St Wilfrid's Catholic Primary School on xxxxxxxx at xxxxxx

Good school attendance is very important for children. We know that children who do not attend regularly:

- do not achieve their potential in exams
- find it difficult to maintain friendships
- miss out on social events
- are more likely to become involved in crime
- are less likely to earn high wages as adults

There's a lot we can do to help if you are experiencing difficulties affecting xxxx and xxxxx attendance in school. For example, we can:

- offer an early help assessment;
- make referrals to support services such as the Early Help Service, bereavement services or the school nurse;
- signpost you to local support groups or agencies;
- assess your child for any special needs you are concerned she may have.

We can also support you to access help for other concerns such as mental health, financial difficulties, homelessness or domestic abuse for example.

If you are experiencing difficulties in getting your children to school due to transport difficulties, you may be entitled to assistance. Please have a look at the Birmingham City Council School Travel webpage or discuss with the school: <https://www.birmingham.gov.uk/travelassist>

If we are not available, please leave a message and contact telephone number and we will call you back. We are here to help.

Yours sincerely
