Dear Liam,

I am writing to you to thank you for the great opportunity year 5 and 6 had at **Alton Castle**. (and of course your **hot chocolate**)

I enjoyed **Survival** but I found building the shell really hard as I couldn't tie the knot around the tree, after the shelters when we boiled the water and made the fire with the flint and steel, I found that challenging as well because I couldn't create a fire as I wasn't rubbing the **flint** with the **steel** as hard as I could but I still enjoyed that too, at the end of survival I **MOST** enjoyed the roasted squirrel (marshmallows) and hot chocolate!

Your hot chocolate **WOW** it's great. You're an amazing leader at Alton Castle and because you have been there for sometime you make everything look **so** easy. It's **great**!

On Wednesday you and the team were fantastic as I personally felt you welcomed year 5 and 6 very well, On Thursday I loved the fantastic **disco** and the very brain-testing **quiz** as my team won (killa 411starz) and finally on Friday we left; you and the team me and I bet you **influenced** the rest of years **5** and **6** too, as you taught us to survive in difficult conditions with scrap

materials! Thanks Liam! 🍕 p.s You can dab quite well.

Your Sincerely
Amiyah!
