

St. Wilfrids Catholic primary school
Shawsdale road,
Castle Bromwich,
Birmingham.
B36 8LY.

21st November 2016.

Dear Una,

I am writing to thank you for the fantastic time I had at Alton Castle I mostly enjoyed the activities because they're something I have never done before.

Thank you for letting me spend more time with God and learning more about discipleship, I would also like to thank you for letting Yr6 and Yr5 come to Alton Castle because not all children have this opportunity to visit here.

I really enjoyed the hot chocolates at night and the activities. My favourite activity has got to be trekking with you. The reason I liked it was because it was something you didn't do everyday and especially when we got to jump in muddy puddles. The thing I wasn't so keen on was the cow paths everywhere and I got a bit tired (and dirty!)

I would recommend this trip to all the other children at St. Wilfrids because they will absolutely enjoy the activities and love the team members (as they are amazing, especially you!)

I have learned that disciplinship is very important to the castle and I also learnt new songs and the said I learned are: St. Barbara and St. Catherine.

When I am in secondary school, I will visit 'Soli' (I will try!) which is just around the corner from the castle why is it called 'Soli'?

The reason I chose to write to you is because you made trekking really good and you always make me smile!

This was an unforgettable trip!

Yours sincerely,

Darcy.

(P.s please thank the rest of the team!)
