Quality Mark 2017

The school was assessed for the renewal of the Quality Mark award which we have held for the last 13 years.

This is an assessment of the school's commitment and progress towards improving the basic skills in reading, writing and maths and improving the standards in these.

I am delighted to inform you that the school was judged to meet all the criteria and as such continues to have the Quality Mark status for the next 3 years.

Quotes from the report included, 'Everyone with whom I spoke commented on the positive ethos within the school' and 'The children articulated their enthusiasm and appreciation for the school'.

Nursery

If you have any unwanted items of clothing, particularly trousers or skirts aged 3,4 or 5 that your child has grown out of, our Nursery would be very grateful if you could send them into school. Thank you.

Walk to School

Congratulations to 2R who won the Walk to School trophy for April!

In total, 263 children walked at least once a week during the month of April.

Let's keep this up.

Attendance

Our total school attendance at present stands at 95.48% (just below our year target of 95.5%).

Thank you to all those parents who make sure that their children are at school everyday.

Where attendance is a concern, then Miss Atkin, our Attendance Officer, will work with families in order to bring improvements.

If attendance, over a long period of time fails to improve, then there are occasions when the Courts may issue Penalty Notices.

Unfortunately, last half term, two families received penalty notices of £60 for poor attendance.
