21st November 2016

Dear Liam,

I am writing to you to thank you for the unforgettable time I had at Alton Castle last week.

Thank you for making my trip as fantastic as it could be. I really enjoyed the hot chocolates that you made: they were a lot better than Joes. (Don't tell Joe). My favourite activity was trekking because it was funny when Ethan fell in cow poo.

I would recommend this trip to the rest of St. Wilfrids because it was educational about St. Barbara and St. Catherine and how they died for their faith. It was also good fun when we went Bike riding, when we did Survival and when we did the night line. I have learned that communicating is an important skill in life.

When I am at secondary school, I will recommend this trip to the teachers so that we can come again because I really enjoyed it.

Yours Sincerely,

VS

Tom,

The Hull boy.
