THIS WEEK IN SCHOOL

It has been a busy and exciting week in school.

I have thoroughly enjoyed visiting lessons and seeing so much learning taking place across all year groups. We have also been delighted to welcome families into school for our Meet the Teacher sessions and our Creation Workshops. These events have been a wonderful opportunity to strengthen the partnership between home and school and to celebrate the creativity and enthusiasm of our children.

Attendance!

Remember, In School, on time, ready to shine!

Take some time this week to check your child's attendance on My Child at School.

Is it as good as it can be?

We have sent out so many congratulations certificates to families who have made a great start to the year. If your child has been off or late, expect a letter or call from school to see how we can help.

We love our St Wilfrid's community and we don't want your children to miss out!

ATTENDANCE

Each week, teachers will nominate their class for a **Weekly Attendance Award**. These classes, get a spin on the Spin to Win wheel. This recognition may be based on the efforts of an individual pupil, a small group, or the whole class—depending on who has shown improvement or consistency in attendance and punctuality.

It's a way to celebrate the positive impact that showing up on time and ready to learn has on our school community. We look forward to sharing these nominations and celebrating the progress being made.

Take a look at the rewards that took place!!!

CATHOLIC LIFE AND MISSION

The God Who Speaks

This week we shared the Gospel of Luke 16:10-13 which reminded us that if we can be trusted with little things, we will be trusted with bigger things too.

Mini Mission

Show that you can be trusted to show our Gospel values - choose one thing to do to show you can be trusted to follow the teachings of Jesus

BUILDING THE KINGDOM

This week, we welcomed our first sets of parents in to our classroom workshops. Together we worked as Stewards of Creation, appreciating the world through collage, making bird feeders, making posters to encourage others to care for our precious world and making pledges to remind us to look after the planet even better.

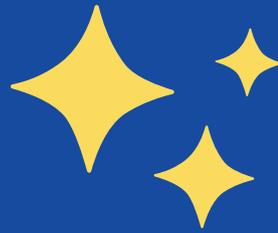

VALUES AND VIRTUES

Celebration of the Word Pupil Leadership in Action

Each week, two pupils from every class are given the special opportunity to lead the Celebration of the Word. Working closely with their teachers, they carefully plan the prayer, readings, and reflections. Depending on their age, children may lead with support or independently.

This is a meaningful chance for our pupils to grow in confidence, responsibility, and respect—key aspects of both our Catholic ethos and the British Value of Individual Liberty. By taking the lead in spiritual life, our children are developing as thoughtful, respectful leaders who contribute positively to our school community.

BRITISH VALUES

Each week, our children and staff will be sharing a little bit of news from somewhere in the world

YOU SAID.... WE DID....

What we do

We work with organisations that provide services for families. We are an independent strategic partner to the local authority, Integrated Care Board (ICB) and The Children's Trust. We gather the views of local families and share diverse experiences and challenges with service providers. We want to ensure the concerns and voices of parent carers are heard, listened to, valued and used to make change. We will hold the statutory services to account and challenge decisions when families are telling us it's not working. Our goal is to improve outcomes for all children and young people with special educational needs and disabilities

Who Can Join?

The Birmingham Parent Carer Forum welcomes anyone who provides care to children or young people (0-25) with special educational needs and disabilities living in or accessing SEND services in Birmingham. We are committed to being inclusive of all families from diverse backgrounds and disabilities. These may range from but are not exclusive to complex medical needs, neurodevelopmental, learning and/or physical difficulties.
