Dear Interested Party,

Consultation on Admissions Arrangements for 2028/29

Our Lady and All Saints Multi Academy Company is writing to notify you of a consultation on the proposed 2028/29 admissions arrangements for the following schools:

- [Guardian Angels Catholic Primary School, Birmingham](#)
- [Our Lady's Catholic Primary School, Birmingham](#)
- [St Wilfrid's Catholic Primary School, Birmingham](#)

The consultation period will run from **1 October 2026 until 12 November 2026**. During this time, parents, carers, diocesan partners, local authorities, neighbouring schools, parish communities and other interested stakeholders are invited to comment on the proposed admission arrangements.

In accordance with the Department for Education's School Admissions Code, admission authorities are required to consult on admission arrangements where changes are proposed. This consultation therefore fulfils the statutory requirement placed upon the admission authorities for the schools listed above.

As a result of updates to the Diocesan Model Admissions Policy, all Catholic schools within the Archdiocese of Birmingham are required to undertake a full consultation on their proposed admissions policies for the 2028/29 academic year.

The proposed changes are:

- The introduction of new priority categories for Catechumens and children of Eastern Christian Churches.
- The introduction of new priority categories for children of other Christian denominations and children of other faiths.
- Changes intended to ensure that admission arrangements continue to reflect and serve the needs of our school communities.
- A number of minor amendments to wording, definitions and policy content, with the most significant revisions relating to the oversubscription criteria.

Copies of the proposed admissions policies can be accessed via the relevant school websites (links are available above) or obtained in hard copy from the school offices.

The consultation will remain open for a period of six weeks in accordance with statutory requirements. We welcome views from all interested parties and encourage stakeholders to participate in the consultation. Responses should be submitted in writing no later than **5.00pm on 12 November 2026** and sent to: gricel@olaas.co.uk

When responding, please include your name, address and your relationship to the school(s) concerned.

Following the close of the consultation period, all responses received will be carefully considered by the relevant Local Governing Boards before the final admissions arrangements are determined and published.

If you require any further information regarding the consultation process or the proposed admissions arrangements, please refer to the consultation documents available on the relevant school websites or via the email address above.

Thank you for taking the time to consider and respond to this consultation.

Yours sincerely,

Laura Grice
