

Hello Children,

How exciting! You are coming to Year 1! I really can't wait to meet all of you in September! In the classroom helping you to learn will be myself, Miss Mccoy and Mrs Sadler and Mrs Davies. We are so excited to welcome you into Year 1, where we will be learning lots of new things.

Here's a little bit about me 😊 I have been teaching at St Wilfrid's Catholic Primary School for seven years this September. I am part of the Maths Team leading Maths across the school. I really enjoy teaching in Year 1 and am looking forward for us to all learn and grow together. I really can't wait to learn more about you!

There are so many exciting things that we will be learning in Year 1 which I want to share with you. Our exciting History and Geography topics are: Toys Old and New where we will be learning about Toys from the past and comparing them to more modern toys, the remarkable work of nurses Florence Nightingale and Mary Seacole and the fun Seaside.

I know we haven't seen you for a few months and you might be wondering what school will be like in September but please try not to worry as we will have a talk about how you are, how you have been getting on at home and about your worries and hopes for the year ahead.

I am so excited for you to return to school in September and I hope you are too. See you soon!

Best wishes,

Miss Mccoy
