The Big Ask

Rachel de Souza is the Children's Commissioner for England and her job is to speak up for children in England and make sure that the people in power listen to what children need and want.

She is conducting the largest ever survey of children and young people in England.

Please visit the website <https://www.childrenscommissioner.gov.uk>

with your child to complete the short survey (5-10 minutes).

This information will then be used by Rachel to show the government what you think, and what children need to live happier lives, such an important thing in these Covid times.
