### eSchools

We use the eSchools platform for our website and for booking parents' evening appointments.

There are many more facilities which we would like to use from September including text messaging, letters home, checking your child's attendance and ePay. We will share information about how to use these, but in the first instance, please could all parents ensure that we have a current email address. **Please complete and return the slip at the end of the newsletter**. Thank you.

Thank you to those parents who have downloaded the eSchools app. This will be used from September. For more information please go to <https://academy.eschools.co.uk>.

Scroll down to I am a contact/parent. There are YouTube tutorials explaining how it all works as well as user guides.

Please let us know if you need a reminder of your login details.
